Gentle Giants: GG2 Big Whale Safari & Puffins (GGHI-T128135130)	
Tue, August 25 2026 - 9:30 AM	
Adults	2

Thank you for booking a tour with Gentle Giants!

Please check-in latest 40 min before the tour.

Bring warm and waterproof clothes, footwear, hats and gloves and protective bags for cameras as it can be very cold at sea. Warm overalls are included on board and are put on top of other layers.

We highly recommend you to visit our [Frequently Asked Questions](#) page for more useful information.

Below are some practical information regarding your tour:

Before your tour

Please arrive to our Gentle Giants [Ticket Center](#) in Húsavík, northeast Iceland, at least **40** minutes before departure to collect your tickets. Boarding is 25 minutes before departure. It is the passenger's responsibility to arrive in time, otherwise there is a risk of losing reserved places on board. The public parking area in Húsavík which is closest to Gentle Giants is located behind the church in Húsavík – free of charge – opposite the main road from where you find our Ticket Center (right above the harbour and all in short walking distance), and by the beach close to the harbour. Space on board is limited so we recommend that bigger bags and

backpacks are not brought with as there is no secure luggage storage on spot. No responsibility is taken of personal belongings left in our RIB Center.

Clothing

We offer warm extra clothing on board our boats. We still highly recommend that passengers bring their own warm and waterproof clothes, footwear and protective bags for cameras, as it can be cold and wet out at sea.

Cancellations / changes

Reservations cancelled more than 24 hours before departure will be fully refunded. The refund process may take several weeks. Cancellations received less than 24 hours before departure will be charged full price. Reservations can be changed depending on availability on tours, without any extra cost. You can manage your booking at any time [online](#). For other changes and cancellations, please contact Gentle Giants directly.

Weather and sea conditions

Tours are dependent on weather and sea conditions. For your safety and comfort, we reserve the right to change or cancel departures, even with short notice, should weather or other conditions change. This may include skipping the visit to Puffin Island (GG2). In case of cancellations due to weather, customers receive a full refund or can change their departure depending on availability.

Minimum number of passengers

A minimum number of passengers is required for all our tours. If the minimum number is not reached, we reserve the right to change or cancel departures, even with short notice. In such cases, customers are offered alternative options.

Whale sightings

Our whale watching tours take place in wild nature, which is very unpredictable. The chances of seeing whales are up to 98%, but sightings cannot be guaranteed. If no whales (dolphins included) are seen on the tour, passengers are welcome to join a GG1 Whale Watching tour free of charge, depending on availability. Passengers can get a voucher for a free GG1 Whale Watching tour that is valid for the passengers of the original booking. The voucher is valid on tours where availability and bookings in advance cannot be made. The voucher is valid unlimited. We do not refund tickets if no whales (dolphins included) are seen on the tour.

RIB speedboat tours

All tours on the RIB speedboats (including GG2 Big Whale Safari & Puffins), are not allowed for passengers with heart- or back problems or pregnant women. Minimum age is 8 years and minimum height 130 cm.

Welcome to Húsavík and looking forward to seeing you!

Best regards from the staff of Gentle Giants
